

HEALTH SCREENING REPORT/TB TEST LOCATIONS

HEALTH SCREENING REPORT: California State Licensing requires evidence that employees are free from communicable diseases and can perform the job duties assigned. Employees are required to have the Health Screening form filled out by a physician within 7 days of employment.

TB TEST: California State Licensing requires all direct-care employees to have a test for tuberculosis, performed by or under the supervision of a physician not more than one year prior to or seven days after employment. Employee must present proof of test with date as well as result.

- ~~~~~
1. To obtain the HS/TB, go to one of the **Kaiser Occupational Health Centers** listed below. Before you go for an appointment, the Administrative Director will fax an Occupational Health and Safety Services Referral Form to Kaiser.
 2. Please make an appointment with Kaiser as soon as possible!
 3. You take the "Health Screening Report" form. You must give this to the attending physician at Kaiser.
 4. Please make sure the Health Screening Report & TB Test Result are forwarded to Futures.
