

A MESSAGE TO OUR CUSTOMERS:

It is with heavy hearts that we are announcing the closing of Nifty Thrift Shop in Lafayette. After much thoughtful consideration, it has become clear that the cost to run this business due to increased operating costs and the steady increase in the State minimum wage has exceeded the revenue we can generate.

We want to thank this wonderful community for supporting us all of these years, especially because you have made it possible for us to provide important training and job opportunities to individuals with developmental disabilities.

Nifty Thrift has been part of Lafayette's thrift shop community since 1975 and it has been a pleasure to offer our shoppers unique treasures while accepting your generous donations along the way. While we are sad to go, Futures Explored will continue to offer many other important programs and services that provide our participants community and employment opportunities, and it is our priority to place Nifty employees in other jobs within this community.

To our loyal customers, please note the following important dates:

Saturday, June 1: last day to drop off donations

Monday, July 15: last day to shop before store closure

Thank you again for the many years of support.

All the best,
The Nifty Thrift Team
