## To our Clients, Families and Various Support People ~

Futures Explored has taken the direction of the County Health Departments and the Governor's directives to shelter in place due to the Covid-19 global pandemic in the following counties:

- Alameda (as of 3-17-2020)
- Contra Costa (as of 3-17-2020)
- Sacramento (as of 3-18-2020)
- San Joaquin (as of 3-17-2020)
- Yolo (as of 3-18-2020)

We are adhering to the evolving directives that include the prohibition of gatherings of any size; at this time these conditions apply until 4-7-2020.

Please know that Futures supervisors and staff are continuing to work to provide alternative supports for any and all who are interested, including virtual classes and activities.

If you are interested in participating or if you'd like more information, please email [hesterwagner@futures-explored.org](mailto:hesterwagner@futures-explored.org)
