**ABOUT THE FUTURES EXPLORED PRACTICAL FILM & MEDIA WORKSHOP:**

The Practical Film & Media Workshop was launched in Northern California in 2013 by actor, director and former special education teacher, Joey Travolta, and Futures Explored, Inc., a non-profit that was founded more than 50 years ago and provides community and employment training services to adults with developmental disabilities. With locations in Livermore and Sacramento, the 20-week vocational workshop promotes student learning through individual projects and paid experience in the film and media industry. In just a few short years, the Film Workshop has received critical acclaim for its work.
